ARTI BECOMES SHERWIN-WILLIAMS

After ten years as a member of the Sherwin-Williams family of brands, we will now bring the ARTI product portfolio fully into the Sherwin-Williams brand. You will continue to receive the same great ARTI products in the can, while now also having access to the full offer of the Sherwin-Williams product range.

TRUST US WITH YOUR WOOD FINISHING SOLUTIONS

Whether you're finishing kitchen cabinets, furniture, building products, flooring or specialty wood products, our solutions encompass a wide breadth of technologies and can

be customized to your specific performance, aesthetic and process needs to give your products a distinct edge in the marketplace.

GLOBAL EXPERTISE

Global solutions delivered locally.

Sherwin-Williams delivers industrial wood coatings solutions to wood manufacturers and suppliers worldwide. Manufacturing is global, and so are we. As our customer, you benefit from our global technology transfer, product availability, inventory management, product consistency and expertise.

We understand your unique coating needs, including the many regulatory, environmental and performance specifications you require. As your supplier, we can manage colour consistency across continents, substrates and products, assist with value-chain alignment, provide support to tier suppliers, contractors and applicators, and help manage your strategic coatings-related needs.

LOCAL SOLUTIONS

Our localized business model means that you will receive direct, responsive support where you're located. With our sales and on-site technical representatives, we're able to align our products and solutions with your real-world needs. Through our regional facilities, we provide fast turnaround on customized coating solutions as well as inventory management assistance and stocking.

Technology is always advancing, and we're leading the way with coatings specifically customized to your performance, aesthetic and application needs. With our broad network of facilities and R&D labs, we have the localized sales, technical support and expertise to work with you on your lines and tailor our products to your business — giving you meaningful local support in the areas that matter most.

INNOVATION AND DEDICATION FOR YOUR SUCCESS

INNOVATION

Solutions as unique as your business.

A great finish is more than just a great coating. That's why our priority is delivering customized, comprehensive solutions for every customer we serve.

New finishes have the power to inspire advances in your product line. Because we're committed to providing the industry's most cutting-edge technologies, we're continually investing in coatings research and development on a global scale — thinking one step ahead when it comes to advancements in waterborne technology, UV coatings, environmentally-preferred products and more.

But we don't stop there. We also provide insight on global regulations and accreditation programs so you can be confident that we deliver product solutions that will help you achieve your goals. Our commitment to your success means we constantly deliver innovative products that meet your challenges and exceed your expectations, time and time again.

SUSTAINABILITY

We invest in sustainability initiatives that are guided by the needs of our communities and customers to help grow our business with care and make a positive impact on the world around us.

- Technology and trend awareness and expertise.
- Uncompromised quality and attention to detail.
- Technologies with reduced environmental impact.
- Expansive distribution network.

WE ARE SHERWIN- WILLIAMS

SHERWIN-WILLIAMS – YOUR COATING SOLUTIONS PARTNER

The Sherwin-Williams Company (SHW), through its Performance Coatings Group Division, is an industrial coatings leader that delivers local finishing solutions on a global scale to OEMs and tier suppliers.

Comprised of coatings professionals dedicated to providing unparalleled customer support, Sherwin-Williams brings value to the finishing process through solutions like on-site technical assistance, customized products, colour and design services, and process improvement expertise.

With innovative liquid and powder coating technologies to protect wood, metal and plastic, as well as finishing equipment and supplies needed for coatings application, Sherwin-Williams utilizes an infrastructure spanning six continents to provide better finishing solutions for manufacturers.

Since 1866, Sherwin-Williams has provided manufacturers and finishers with the coatings they need to make their products look better and last longer, while helping their operations meet productivity and sustainability goals. For the industrial wood and market, our innovative solutions go beyond coatings to include knowledge, tools, equipment, supplies, and industry-leading support.

We're more than a coatings provider – we are Your Coating Solutions Partner.
